TAKE CHARGE of your future TODAY.

Are you looking for a rewarding career in an industry that's in high demand? Dental assisting could be your ticket! According to the U.S. Bureau of Labor Statistics, demand for dental assistants is growing faster than the average growth rate for all other occupations.

As your fast-track roadmap to success, the Santa Clarita School of Dental Assisting (SCSDA) offers a 10-week intensive course that won't interfere with your current job. We're the only school of our kind to offer hands-on training in a real, state-of-the-art dental office.

SCSDA is a school approved by The Dental Board of California and The Bureau for Private Postsecondary Education to operate in California.

For more info, call us at (661) 799-9JOB.

SANTA CLARITA SCHOOL OF DENTAL ASSISTING

FROM OUR GRADUATES

"I appreciated the extensive hands-on experience. My instructors truly cared for me and helped me to succeed! I'm so glad I took this class because as soon as I graduated, I was able to transition right into the dental profession. I love my new career!"

- Bailey Moore, Dental Office Manager

"If you're thinking of going into dental assisting, SCSDA is the way to go. It's super fun the teachers are great and the class is fast-paced. I definitely recommend it!"

- Kelsey Motschenbacher, Dental Assistant

"SCSDA started my path in dentistry. They gave me a strong, solid foundation and enabled me to pursue a career as a dental hygienist. Highly recommended!"

- Kristie Hamilton, Registered Dental Hygienist*

"I was a student here in 2006... now, I'm a dentist! I wouldn't be where I am without this training. Amazing program! Don't miss out."

- Dr. Katina Landon, DDS*

(*SCSDA is a building block for entry into the dental field. Becoming a dentist/hygienist requires additional training - you would need to complete further studies, then dental school.)

At Santa Clarita School of Dental Assisting (SCSDA), we provide a focused and intensive training environment using the latest dental technology.

Our teaching methods are stimulating, fast-paced and highly interactive. In class, you will spend all your time learning in a “hands-on” environment, practicing on our state-of-the-art teaching mannequins.

We keep our class sizes small, to ensure personal attention for each student.

Best of all, our classes are taught on 10 consecutive Saturdays, so you can maintain your normal work week, while furthering your education towards a rewarding career as a dental assistant.

After successfully completing your course at SCSDA, you will receive the following:

- ❖ Dental Assisting Certification
- ❖ Professional Teeth Whitening Trays
- ❖ Clinician's Starter Kit & Gift Bag
- ❖ Current Job Listings

LEARN ALL OF THESE IN JUST 10 WEEKS!
